Easier control over music and calls.

MM 80i TRAVEL

 **SENNHEISER**

MM 80i TRAVEL

Outstanding sound quality with optimum protection against ambient noise. The MM 80i TRAVEL treats you to an unparalleled sound experience whenever or wherever you listen on the move. The new headset with remote unit enables you to control the latest generations of iPod, iPhone and iPad.* No need to fumble with the player – simply push the buttons integrated in the cable to control the volume, play, pause, or skip tracks. Used on the latest iPhone models, the unit also serves as a headset to answer, end, or reject calls and activates the Voice Control.

- Detachable smart remote with mic: enhanced usability for the latest models of iPod, iPhone and iPad.
- 3.5 mm plug for Apple devices plus adapter for inflight entertainment systems
- Extremely durable housing and rugged cable
- Excellent attenuation of ambient noise
