## PC 36 CALL CONTROL

With an improved noise canceling microphone and Sennheiser stereo quality, the PC 36 CALL CONTROL is the ideal headset for internet telephony, music, movies and more. The new 3-in-1 unit for volume/mute and call control means you can quickly adjust settings. And take/end calls directly on the headset.

### Benefits and Features:

- Sennheiser sound – the integrated USB soundcard and quality speakers ensure every word comes through crystal clear
- Noise canceling clarity – not only will your voice come through in crystal-clear quality, the mic is also ideal for your device's speech recognition function
- USB plug & play – simply plug into your computer's USB port to start phoning over the net
- Convenient 3-in-1 control – fully adjust the volume/mute and control your phoning session directly from the headset
- Free HeadSetup software – conveniently download Sennheiser software for easier control of your softphone from the headset
- Comfortable double-sided headband – ideal for an entire range of multimedia applications such as music and gaming, too
- Fully flexible boom arm – adjust the microphone for optimal voice pick-up
- Peace of mind – thanks to the 2-year international warranty
