

H3

The best all-round quality gaming headset

The EPOS H3 closed acoustic gaming headset delivers high quality audio engineered to convey the cues needed for quick in-game reactions. Skin tingling deep bass enhances immersion and acoustic clarity ensures clear game chat.

Plug and play for ease of use, the all-round analogue H3 headset is multiplatform compatible with exchangeable PC/console cables. The noise-reducing microphone has a flexible boom arm that lifts to mute. Ergonomic ear pads are designed based on the anatomy of your ear, ensuring a comfortable fit and acoustic seal. A stainless steel slider in the headband with length indicators allow headset adjustments and hinged ear cups angle to fit any face shape.

Quality materials and build make for a lightweight, yet robust and durable headset designed for long wearing comfort.
